

Have you ever wondered...

- Are there gender differences in high-stakes testing situations?
- Why do men versus women leave one academic position for another?
- Are women under-represented in getting Brown Teaching Awards at Rice University?
- Are there gender differences in graduate school experiences?
- Is there gender discrimination in Ecology Research Groups?
- What successfully predicts who will drop out of undergraduate STEM majors?
- Are there gender biases in letters of recommendations?

Find out the answers...
